

Kootenai Health is supporting the recruitment of a BC/BE full time Palliative Care physician to join a multi-specialty clinic in Coeur d'Alene Idaho. Kootenai Clinic represents 26 different specialties with 200 plus providers. Recruitment is due to a growing service area and increasing patient volumes with an existing out-patient palliative care clinic and plan to further expand in-patient palliative care services. Join two existing providers and highly qualified staff in this hospital employment with competitive compensation and benefits opportunity.

Kootenai Health is a community owned, Magnet designated, DNV accredited, not for profit entity and is the region's referral medical center with 292 licensed beds. Kootenai Health is dedicated to providing total, comprehensive and progressive health care through a variety of services, including cardiac, rehabilitation, state of the art imaging, behavioral health, obstetric and cancer care. Kootenai Health has earned a reputation for excellent care, leading-edge technology and our outstanding medical team. Kootenai Health is the 30th member of the Mayo Clinic Care Network, a national network of like-minded organizations that share a commitment to better serving patients and their families.

Coeur d'Alene is a picturesque community nestled in the foothills of the Selkirk Mountain range on the shores of beautiful Lake Coeur d'Alene. Coeur d'Alene is the largest city in the Idaho Panhandle and offers a vast array of recreational, cultural and educational opportunities. Outdoor enthusiasts will delight in a variety of activities including water sports, fishing, hunting, cycling, climbing and skiing. The region boasts easy access to 4 major ski resorts, dozens of championship golf courses and a variety of lakes. The area's network of public and private schools, community colleges, and universities, provide a multitude of options for lifelong learning. Spokane, Washington, 30 minutes west of Coeur d'Alene, offers a more metropolitan atmosphere as well as an international airport, 3 universities with additional cultural, recreational and educational opportunities.
